**More Fun!**

**More Joy!**

Life is a joy! Are you ready to embrace it? Celebrate April Fools' Day with Trance Medium, Kim Dumaine and the wise and witty Spirit Teacher, Dr. Peebles, as we explore the power of humor in our daily lives. Shake up your life and gain a new perspective on spirituality and higher awareness by opening more fully to the joyous energy of laughter. Life is meant to be a celebration - not a dismal struggle. Find your balance with a new-found sense of humor and start living a full and happy life that will be your ticket to spiritual growth. This uplifting and fun evening will include the following and more:

- How to embrace the lighter side of life without the drama, fears and tears!
- Learn the role that humor plays in attaining a heart-centered state of being
- Move from dread to joy, releasing old patterns keeping you trapped and unhappy
- Create a spiritual practice based on joy and humor
- Develop your cosmic sense of humor - especially with yourself - to keep your energy & vibration high
- Use laughter and play to heal all aspects of your life
- Q & A time to address Dr. Peebles (questions of a general nature only please)
