Join Trance Medium, Kim Dumaine and Spirit Teacher, Dr. Peebles as you explore how to connect with the most powerful force in the universe - love. Learn how to get out of your head and into your heart as you journey to a deeper understanding of love allowing you to awaken more fully to your true essence. Expand your concepts of love to the world around you attracting healthier, more fulfilling relationships everywhere you go. Topics will include:

- Looking for love in all the wrong places - where you will find love
- Appreciating love in its many forms
- Giving up your long-held illusions
- Moving out of self-defeating behaviors and into your creative power
- Creating loving relationships that last
- Question & answer time with Dr. Peebles (questions of a general nature only please)
