Are you ready to truly embrace the light? Are you willing to 'walk the talk'? Join with Trance Medium, Kim Dumaine and the wise Spirit Teacher, Dr. Peebles as together we explore what it really means to live "in the light". Is it just a superficial, new age phrase that we toss around? Or is it a conscious and highly spiritual way we choose to live? Gain a deeper understanding of what living in the light means in concrete, tangible ways. Discover how to draw more light to you as a powerful tool on your path to enlightenment. Topics include the following and more:

- Techniques to bring the light into all aspects of your life
- Characteristics of a light-filled life
- How to become more soul-directed and less ego-driven
- Using light to heal - body, mind and spirit
